HIGH TIDES AND GOOD VIBES ONLY WITH CHARLIE ADAMS

The intriguing New Jersey Maritime Museum is packed with shipwreck finds, photos, navigation equipment and more. It has the most extensive collection of maritime history and artifacts in the entire state of NJ. Located only a short walk away is the Beach Haven Historic District, which was added to the National Register of Historic Places in 1983. Beach Haven is noted for its significance in architecture and history as a beachfront resort during the 19th century. Time on your own allows for a stroll on the beach, shopping or a cup of coffee.

Our picnic lunch will be a choice of ham, turkey or roast beef sandwich from Dundore and Heister Butcher and Market, Wyomissing, as we enjoy views of the Atlantic Ocean at the Barnegat Lighthouse State Park. Built in 1859, the "Old Barney" lighthouse was regarded as one of the crucial "change of course" points for coastal vessels bound to and from New York. Shoals extending from the shoreline, swift currents and shifting sandbars challenged the skills of even the most experienced sailors. Afterwards, step back in time and walk the Maritime Forest Trail through NJ's last remaining maritime forests.

Lastly, explore Viking Village! Founded in the 1920s by first generation Norwegian fisherman, John and Ole Larson, the docks have expanded over the years to accommodate boats of the Atlantic Sea Scallop fleet. Browse the intriguing shops of this unique town or watch a boat unload its catch of the day.

Bus departs the Shillington Shopping Center parking lot BEHIND the PA Driver's Center at 7:13 AM and returns at approximately 7:13 PM. Elite Coach is our transportation provider, and the price does not include the bus driver's tip. If you have additional questions, or would like to reserve a seat, please contact Vicky Heffner, Education Curator, at 610.375.4375 or education@berkshistory.org.
